Capri Insider's Guide

DISCOVER CAPRI THROUGH THE EYES OF THOSE WHO LIVE AND LOVE IT.

This guide is more than a list of places — it's an invitation to embrace the slow life, wander beyond the postcard views, and follow the paths that locals treasure. Here, mornings start with the aroma of espresso and lemon blossoms, and evenings end with the sun melting into the sea.

We'll share cafés where the barista greets you like an old friend, trails where the cliffs meet the waves in perfect silence, and hidden corners made for lingering over a glass of wine. At Casa Nannina, we live Capri this way every day — with curiosity, warmth, and an appreciation for the beauty in every moment.

Welcome to Capri

There are places you visit, and there are places that stay with you forever. Capri is the latter. Nestled in the heart of the Mediterranean, this tiny island off the Gulf of Naples has captivated emperors, artists, poets, and dreamers for centuries. With its dramatic cliffs, crystalline waters, pastel-colored villas, and the scent of lemon groves floating in the air, Capri is not just a destination—it's a state of mind.

Then & Now

Capri's story begins long before it became a symbol of glamour. Once a favored retreat of Roman emperors — most famously Tiberius — the island has always been a sanctuary of beauty, inspiration, and quiet escape. Through the centuries, it has seduced poets, painters, and dreamers with its cliffs, lemon-scented air, and shimmering light.

In the 20th century, Capri blossomed into a bohemian haven, attracting Jackie Kennedy, Brigitte Bardot, Pablo Neruda, and countless lovers of *la dolce vita*. Today, its timeless elegance blends seamlessly with Mediterranean ease: luxury boutiques and fine dining live side by side with sunlit piazzas, hidden pathways, and the everyday magic of island life.

Stay at Casa Nannina

Tucked away in one of Capri's most charming corners, Casa Nannina offers an intimate escape that captures the essence of island living. With its sun-drenched terrace overlooking the sea, a private jacuzzi, and elegant Mediterranean design, the home invites you to slow down and savor each moment. Here, mornings begin with birdsong and espresso under the lemon trees, and evenings end with a glass of wine as the sun melts into the horizon. Perfect for couples, families, or travelers seeking authenticity, Casa Nannina is more than a place to stay—it's a place to feel at home.

What to see in Capri & Anacapri

What to See in Capri

Capri town is elegant, lively, and rich in history. Wander through **Via Camerelle** for luxury boutiques, then follow **Via Tragara** to admire the famous **Faraglioni**. Visit the lush **Gardens of Augustus** and the historic **Certosa di San Giacomo**, or hike to the ruins of **Villa Jovis**, once the retreat of **Emperor Tiberius**. Don't miss a scenic walk along the **Pizzolungo** trail for breathtaking views of cliffs and sea.

What to See in Anacapri

Anacapri offers a more peaceful, authentic side of the island. Discover the stunning **Villa San Michele**, explore the colorful **Casa Rossa**, or stroll through the charming historic center. Take the chairlift up to **Monte Solaro** for panoramic views, descend the ancient **Phoenician Steps**, and cap the day with a magical sunset at the **Punta Carena lighthouse**. And of course, experience the wonder of the **Blue Grotto**.
